life in Spain by the fact that snobbish- the bullfight. There are horse races in ness has no part in it. No man is prouder of his nationality than a Span- the one place at which the visitor may iard, and no one is prouder of his pedigree than a Spaniard of aristocratic from the king and his English queen out a desire to make others feel their lack of distinction. Spanish society is 12,000 or 15,000 persons to the Plaza de agreeably informal in the larger cities. There is no counterpart of the of the more advanced Spaniards, who smart country life of England, France or countenance bullfights. She has not other European countries. Every one who only attended them and witnessed with life in Madrid, the national capital, or cruelty, but has awarded prizes to the even in one of the old regal capitals, lives most accomplished butchers at the close in town. The really wealthy go to Paris pitality and informality of Spanish homes

The court, once much more brilliant but after witnessing the splendor of the than it is now, is of course the exemplar court of this impoverished country, and Alfonso XII it was a scene of continual izes that Spain is hardly to be spoken of gayety, but his early death plunged it as a highly civilized and really en into mourning and left Queen Maria lightened country.

Christina, as regent, the social arbiter at the royal palace. She was not inclined to revive the gayeties of the court after the period of mourning and it was not until Alfonso XIII brought an Eng-lish princess to Madrid as his queen that the court resumed even the appearance of liveliness. Even since the young queen's advent it has not been up to its former standard of gayety, but Queen Ena has striven to popularize herself with the Spaniards by showing an assumed interest in the bull ring and the ballroom, and King Alfonso's democratic ideas and personal popularity have done much to make the palace the mecca of the socially ambitious.

The etiquette of the Spanish court used to be extremely formal. King Alfonso XII was somewhat of an iconoclast and smashed a few precedents. He allowed audiences at the theater to applaud the actors in his presence. His predecessors had never allowed so much interest in other than their royal selves to be shown car dashed in the Fulton avenue entrance during performances they attended. He also dispensed with some of the more annoying red tape within the palace, but the court still retains a peculiar dignity and abounds in lackeys and ladies-inwaiting, whose numerical strength and in amazement. formal dress correspond with their importance as factors in the maintenance of the degree of stateliness that is deemed necessary.

Formerly palace receptions were called just above Baltimore street, were the evening at the Mount Pleasant play Formerly palace receptions were called just above Baltimore street, were the grounds. Columbia road and 14th street than the cars for the benefit of the Northern Dispension court function is in progress that he in khaki uniform. In the second car were Mary Perry Brown, treasurer; meets a genial and democratic young secret service officers, also dressed in in several languages. The fullest dignity rode was a big black touring car, while cession. It is drawn by four pairs of o'clock. The President wore a stiff straw horses, whose heads are adorned by huge hat which he had to constantly guard to gold, reach almost to the ground, and the harness is richly ornamented. Grooms magnificiently clad in garments of vei- the President nearly lost his hat, but Maj. vet, richly embroidered in gold, lead the horses. Military guards, equerries and outriders surround the carriage. Such a was reached Mr. Taft expressed a wish

cavalcade is seen nowhere else save in In curious contrast with the formality of the court is the informality of social life in the aristocratic circles. The entertaining at the foreign ministries and was a young woman dressed in a sailor legations in Madrid brings Spanish and foreigners together under circumstances hat do not reveal much of Spanish life. t is when one is admitted to the "set" | "Hello, Mr. President." she called, and of some well established family in one Mr. Taft heard her. Rising in his seat of the provincial towns that a good idea he tore a big white handkerchief from f the native customs is gamed.

From the drawing room of a Madrid her until the car disappeared.

The young woman's recognition of the car disappeared. of the native customs is gained. lady of social prominence to court so-ciety is but a step. The step may be nation's chief executive, at Saratoga direct or through some of the "great street, seemed to start the ball rolling, houses," that is to say the homes of the noblemen of high rank. Usually an introduction to any good family means an and bowed and smiled to all. In the park early invitation to one of these homes. and the climb to the top rung of the ladder is then almost accomplished by the visitor in his seat with a resigned air and waved who is ambitious for prominence or a glimpse at Spanish "high life." They now call it "el high life," by the way. The term "high life" has been borrowed by the French from America, and has found its way to Madrid to be incorporated into the native tongue untranslated.

It is often pronounced "ig leaf," as if to rhyme with "fig leaf." The forms of social divertisement in Spain are not greatly different from run made through the park and down

WILLIAM B. CASILEAR HELD FOR GRAND JURY

Former Georgetown Man Is **Charged With Killing a Negro** on His Farm.

this town yesterday by Coroner W. C. Orr and lodged in the county jail charged with responsibility for the death of Joseph Cross, colored, Saturday night. It seems that Cross was passing through

the farm of Casilear to meet his wife BY LOVING PARENTS, BROTHER AND SIS on her way from Leesburg when an al-At the coroner's inquest yesterday Casilear testified that Cross later foltion as though to draw a pistol when

Casilear fired in self-defense. The bul-

let hit Cross in the abdomen and he

died a short time afterward. Held for the Grand Jury.

but no children.

It was testified at the inquest that returned a verdict that Cross came to his FARRELL. In sad but loving remembrance of death by a shot fired by Casilear, and the latter was put in jail to await the action of the grand jury. He is thirty-two years of age. has lived on the Jonah Nixon farm near Woodburn for ten years. He has a wife,

Father Head of Engraving Bureau. inent Georgetown family. His father, George W. Casilear, was for twenty-five years head of the bureau of engraving and printing, and now makes his home in Charlottesville. Va. He is an invalid.

SNOWDEN. In sad but loving remembrance of our dear one, HENRY SNOWDEN, who departed this life one year ago today, July 31, 1910. Charlottesville, Va. He is an invalid. Mrs. Casilear, mother of William B. Casilear, is now staying at a summer resort in the Alleghany mountains. R. A. Casilear, a brother of William B

Casilear, is well known here. He is a real estate broker and a member of the Washnton Stock Exchange. When Mr. Casilear was informed today of the fact that his brother had killed Cross, he immediately began arrangements to go to his brother's aid in Leesburg. Mr. Casilear said the farm now occupied by William B. Casilear had been purhased by another brother, George F. BY HER DEVOTED HUSBAND, BRUCE WII

Casilear, and presented to William B. Casilear. George F. Casilear, formerly a member of the brokerage firm of Moore & Schley, New York city, made a large fortune and has retired from business. He lives in Paris, France. William B. Casilear married a Miss Nixon of Leesburg, Va.

THIS LID ON TO STAY.

Defies Efforts of Repairers. The top of one of the big turbines of

the battleship North Dakota is stuck so navy yard workmen have been working FRANK GEIER'S SONS. tightly to its casing that the New York five weeks in vain in the effort to pry off. The engine has been working badly and it is necessary to get at the interio mechanism. To make it steam tight the cover was cemented on with a patented compound which has apparently become as hard as the iron casing, and already some splinters have been knocked off by the steel wedges which have been driver into the joint. It was thought that the repairs could be effected within two weeks, but no one can tell when the ship will be ready for

BORN. JOHNSON. On Sunday, July 30, 1911, to M and Mrs. William F. Johnson, a son.

BRANSON. On Sunday morning, July 30, 1911 at 4 o'clock, at her residence, 1518 1st stree southwest. ISABELLE BRANSON (necessory), the beloved wife of John Branson. Dearest mother, thou hast left us, We thy loss most deeply feel; But it's God that hast bereft us, He can all our sorrows heal.

Farewell, dear mother Sleep, gently sleep.
All will be well with thee.

BY HER HUSBAND AND CHILDREN.
